BRUNSWICK
HIGH SCHOOL

Brunswick High School introduces with pride the mid-century issue of the ORANGE AND BLACK. We present here a record of the pleasures, triumphs, and achievements of the Class of 1950. We feature the faculty which guided our intellect, the activities which developed our leadership, and the school which made us an entity.

With orange the flame of our ambition and black the unity of our purpose, we hail the dragon rampant as the symbol of our spirit.

Administrative Message

As my third year at Brunswick High School is coming to a close and I review the content of the other two yearbooks published while I have been here, I am rightly proud of what the pupils have accomplished. THE ORANGE AND BLACK in its 30th year has become a tradition in the school. This yearbook stands high when compared with other schools as evidenced by the second place award it received last year in national competition.

All of you who have helped to edit and publish this annual are to be congratulated. With its changes and improvements this year, I am sure that it will be the best ever.

We have had a very successful year not only because of the improvements instituted in our school, but also because of the loyalty, co-operation and help which you, as members of the Class of 1950, have exhibited. The school will miss you and I wish all of you happiness and success. However, you must advance to make your mark. May it be a good one!

MISS PEABODY

We, the Class of 1950, wish to express our gratitude for the devoted service which Miss Marie Peabody, our dietitian, has extended to our school. Under her wise supervision, B. H. S. students not only receive well balanced meals but also have the advantage of her services in planning and preparing refreshments for extra curricular activities. We sincerely hope that many future graduating classes will have the privilege of her wholehearted co-operation.

MR. CATLIN

Jim Catlin, our janitor, is no stranger to any B. H. S. student. In addition to keeping our building warm and clean, he is always ready and willing to help us decorate the auditorium for our dances, and to open stubborn lockers. With his dog Snipper, he goes about the corridors performing his many duties with a cheerful smile for every student. It has always been a pleasure to work with Mr. Catlin, and in this way we wish to express our appreciation for his many kindnesses toward the Class of 1950.

Student Council

Resourcefulness, integrity and originality are the traditional characteristics with which we associate the American. It is the aim of the Student Council as the governing body of Brunswick High School to promote these qualities as an aid to good citizenship and to a better understanding between the students and the faculty.

Every Thursday morning during activity period the Student Council members meet in the Men Teachers Room and work hard to keep the various phases of our school life running smoothly.

The Council members are chosen on election day at the beginning of the fall semester from each class, homeroom, sport and organization by popular vote.

By this means the Council is in contact with all the various activities of the school and their problems. This year the officers are Jack Sylvester, President; Kenwood Gordon, Vice President; and Louise Bonang, Secretary-Treasurer.

Brunswick High was represented at the state assembly this year by members of the Council. At the beginning of the fall semester, a dance was put on with great success. An assembly was staged by the Council to demonstrate how democracy in action and good citizenship may be practiced in the school. The Council also sponsored a donkey basketball game, which provided an evening of merriment and novelty for students and community members as well.

By applying Poor Richard's maxim, "God gives all things to industry," to their many and varied undertakings the Student Council members have solved many school problems and have practiced democracy and good citizenship as the model students of Brunswick High.

First Row: A. Bisson, V. Michaud, Vice President; M. Lebel, President; P. Tetreault, Secretary; P. Kincaid, Treasurer.

Camera Club

Wherever the interests of photography are to be found, there is sure to be a member of the B. H. S. Camera Club on the spot. The Camera Club takes pictures not only for the personal interests of the club alone, but for school and outside activities as well.

This club, under the supervision of Miss Leonard, furnishes a means of relaxation and of developing the capabilities of many a high school student.

All Senior high school students are eligible for membership. Elections are held sometime during the third semester every school year. This year the officers are as follows: President, Vivian Michaud; Vice President, Lois Rideout; Secretary, Viola Benoit; and Treasurer, Louise Tetreault. Business meetings are held each month with the President conducting the meeting according to parliamentary procedure. Discussions and projects take place after the business meeting.

It is to every club's advantage to have many accomplishments, and the Camera Club has a list well worth mentioning.

At the Hallowe'en Dance this year, which was sponsored by the Student Council, the Camera Club had a booth where pictures were taken of anyone who wanted to have a souvenir of the occasion. Alcide Bois was in charge of this project.

At Mr. Winslow's suggestion, the club is taking pictures of all the students in the school as a form of record. This is done during activity period and enables members to acquire practice as well as doing something worth-while.

The superlative shots of the Seniors also have been taken by the Camera Club. They ranged from pictures of the Senior with the most freckles to the most likely to succeed.

This year at the School Fair the Camera Club had a booth with Marie Hodgdon acting as general chairman.

As the Camera Club doesn't believe in all work and no play, many outings and field trips have been held. An outing at Anne Marie Bisson's cottage at Mere Point furnished fun and experience to all the members. Another field trip to Mount Ararat proved both valuable and entertaining also.

These and many other projects furnish the club an opportunity to "Be useful," as the motto goes, and to form one of the school's most valuable extra-curricular activities.

Orbla Review

The *Orbla Review* ended its fourth year of publication with great success. This year the paper was under the capable supervision of Miss Elizabeth Greene.

The *Orbla* covered all school events, sports, dramatic productions, dances, music productions, etc. Of course it also contained up-to-date accounts of the latest romances around the school. For the first time pictures appeared in the *Orbla*, as well as a feature article which sometimes depicted the news of the day or taught some well needed lesson.

The staff learned a great deal about newspaper work and also the tedious time and patience involved in making up the paper.

The circulation of the paper was about 400 copies each issue. Due to the high cost of printing and the small revenue obtained from advertisements the price of the paper was increased 3c at the half year.

The Senior Editors were: Libby Zeitler and Jeannette LeBel. Other positions held were: Junior Editor, Suzanne Ouellette; Advertising Manager, Ann Mitchell; Sports Editor, Jack Sylvester; and Chalk Dust Editor, Marilyn Webb.

The co-operation of the members of the staff helped to make the *Orbla* a complete success.

Tri-Hi-Y

Brunswick High School formed the Hi-Y 19 years ago, the first in the State of Maine, and has been active in Hi-Y affairs for many years. This year the club voted to prefix "Tri" to its name since it is now the accepted title throughout the state. In recent years representatives have been sent to different parts of the state to attend the Hi-Y legislature.

Candidates are chosen for leadership, character, and scholarship. It is a great honor to be chosen a member of this club, one of the leading organizations of the school. The purpose of the club is to create, maintain, and extend throughout the school and community, high standards of Christian character.

Following a week of initiations which resulted in very embarrassing situations, the official candlelight ceremony was held, welcoming new members into the club.

One of the most active organizations in the school, the Tri-Hi-Y sponsored a dance, an assembly, and sang carols during the Christmas season. One of the biggest achievements of the club was the great success of the Christmas sale which was held in the school cafeteria. In addition to the sale of handiwork, cakes, pastry, and Christmas decorations, the girls very successfully conducted a "White Elephant" which was a great attraction for adults as well as the students.

Throughout the year, the Tri-Hi-Y was very generous in donating to various worthy causes. Among these were the Red Cross, Youth Abroad, and Christmas baskets for the needy.

The officers were: President, Jeannette LeBell; Vice President, Lorraine Bonang; Secretary, Louise Bonang; Treasurer, Helena Mehlhorn; Student Council, Marilyn Brackett; Reporter, Constance LeBel.

The Brunswick High School Band, under the direction of Mr. Ary Dulfer, started off a successful year with their annual band concert. Their busy schedule included playing for football games, assemblies, the Boy Scout Court of Honor, the Brunswick Rotary Club, and PTA meetings.

Impressive programs were also arranged for Topsham Fair and the Growstown Centenary. Another outstanding event of the year was the Western Maine Music Festival in Sanford on May 6.

The Brunswick High School orchestra contributes greatly to the school's dramatic programs. It supplied music for the operetta "All At Sea" and entre-act music for the Senior Class play "The Swan."

This year's activities also included the Christmas Pageant, graduation, and Western Maine Music Festival at Sanford.

Under the direction of Mr. Ary Dulfer, aspiring student conductors have been allowed to lead the orchestra at assembly programs.

Choral Groups

Brunswick High School is well known for its talented choral groups which are much in demand both for school and community functions. Among the numerous musical activities in which the B. H. S. chorus participated were the Growstown Centenary, PTA meetings, assemblies here and at Morse High, Music Boosters meetings, Junior Red Cross programs, the Christmas Pageant, and graduation exercises. Programs were also presented at the State School for Girls in Hallowell, and the Brunswick Rotary Club.

The most outstanding feature of the year was the musical comedy "All At Sea," a well known Gilbert and Sullivan Operetta presented in March. The cast included Charles Dumais, Marilyn Brackett, Maurice Routhier, Robert Hinckley, Peter Holmes, Lester Jones, Dean Cranston, Norman Lacharite, Marshall Dion, John Lamarre, Russ Biotte, Harold Elliott, Richard Fortin, Tony D'Alessio, Alcide Bois, Audrey Peterson, Betty Goldsberry, Monica Huppe, Clarice Fountain, Mary Walker, Eleanor Woods, Flavia Fortin, and Stella Purinton.

Senior Play

The Senior Class of Brunswick High School chose for their annual three-act play "The Swan" by Ferenc Molnar. On November 17 and 18 a talented and varied cast presented the play at 8.00 P. M. in the high school auditorium. Marilyn Brackett was excellently cast as the scheming mother who sought to marry her daughter, played by Kathleen Haley, to the prince, Richard Davis. Maurice LeBel, Jack Sylvester, Sally Duncan, and Paula Viney rounded out the leading players. The fine supporting cast included Arthur Nicoll, Conrad Beaudoin, Audrey Peterson, Helena Mehlhorn, Russell Biette, Joanne Parsons, Gerald Stilphen, Arnold Johnson, Fred Mitchell, Leonard Mulligan, George St. Onge, Joan Walker, Elizabeth Zeitler, Cecile Philippon, Leila Bragdon, Mary Small, and Marilyn Webb.

The play was coached by Mrs. Mildred Thalheimer, assisted by Miss Drusilla Congdon. Many thanks are due to Mrs. Lila Skolfield and members of the costume staff, Miss Helen Varney, who helped wtih stencil designs and setting, and to the members of the program, publicity, stage crew, and ticket committees.

Louise prepares for a vigorous session with the cheerleading squad of which she is captain, while Lorraine gives her an encouraging smile.

Orange and Black Spends a Day with Louise and Lorraine Bonang

The Class of 50 considers itself lucky to have among its members such talented sisters as Louise and Lorraine Bonang.

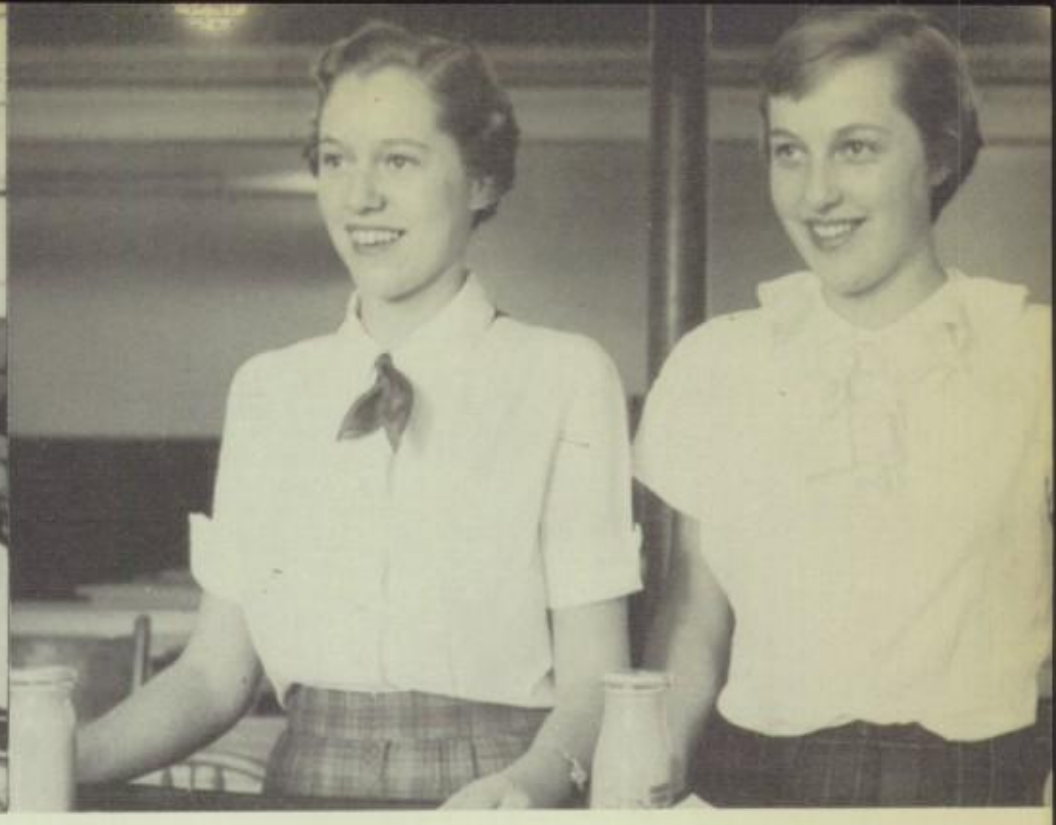
The girls are well known for their blonde hair, blue eyes and ready smile. Although their interests and activities are varied, they are usually seen together. They follow an identical class schedule throughout the day and we understand that they both plan to attend Gorham State Teacher's College next year.

We chose Louise and Lorraine for our feature this year because of their active participation in class projects and their sparkling personalities which have made them outstanding members of the Class of 1950.

On their morning walk to school they pass thru one of the picturesque gates on Bowdoin's historic campus.

The first activity of the day for Louise and Lorraine, as for most B. H. S. students, is picking up books and supplies at their lockers.

By following a special program the girls have included in their schedule both college subjects and such valuable commercial courses as typing. Here Lorraine pounds the keys while Louise indicates the practice letter for the day.



Cafeteria always means a welcome break in the day's routine, a chance to relax and exchange school gossip with friends. We're glad to see you like your milk, girls.

In the remaining seconds of the lunch period, the girls beat out a hasty boogie duet on the auditorium piano.

With the last class over, the last meeting held, the girls are ready to start for home. Textbooks fill their arms, but the sun is shining brightly, the day is warm, and there's a long weekend ahead.

Then back to work again with a serious bit of business in the Biology lab. While Louise peers intently through the microscope, Lorraine gingerly examines a horseshoe crab. Does it bite?

The many faces on the wall reflect Louise and Lorraine's popularity with classmates, as they add yet another graduation picture to their rapidly growing collection.

A period of quiet finds Lorraine looking over a French lesson at her desk . . .

while Louise lies in her favorite position on her bed absorbed in reading, can it be? U. S. History!

Having put aside her homework for the moment Louise is caught writing to her favorite correspondent. Now we weren't nosey enough to ask who.

Louise's favorite pastime is trimming Lorraine's hair. We think it looks very nice.

Louise and Lorraine chat for a moment with their mother and incidentally check on the latest hair styles for . . .

This could be an Ipana ad but it's just our two favorite sisters performing their last rite before bedtime.

Cheerleaders

Brunswick High School was very fortunate in having ten topnotch cheerleaders. The girls were chosen in June of last year, and were presented with new uniforms this season.

One of the most exciting and entertaining evenings of the school year is planned annually by the cheerleading squad. This year the girls sponsored a Mermaids' Haven Dance.

Recognition should be shown for the fine leadership with which the girls encouraged Brunswick's teams, whether defeated or victorious. We can not forget the wonderful guidance given to them by their supervisor, Miss Barbara Leonard. Without the co-operation of all, we could not have had such a grand squad.

Football

For the second consecutive year, injuries both many and varied proved to be the difference between an average season, which we had, and an outstanding season, which we wanted. Indeed, our coaches and players were of championship material and potential winners, but the injuries happened as they will to the best teams, and thus the results.

An outweighed but not outspirited Dragon squad was beaten in the season's opener, 31-7, by Cheverus at Edward's Field. This game was costly to Brunswick in another way, however, for "old faithful," Prett Cowley, was injured midway through the game and saw no action again for several weeks.

Under the lights at Biddeford the Dragonmen could do little better, as they dropped another contest 27-6 to a larger and older squad of Biddeford men. Outstanding in this contest, however, were Roger Coffin, who was immovable at center, and "Crazy Legs" Johnson, who exhibited a wonderful display of broken field running.

With many of the starting lineup out with injuries, Coach Tucker's gallants had to be satisfied with a 6-6 deadlock with Morse, our arch-rivals.

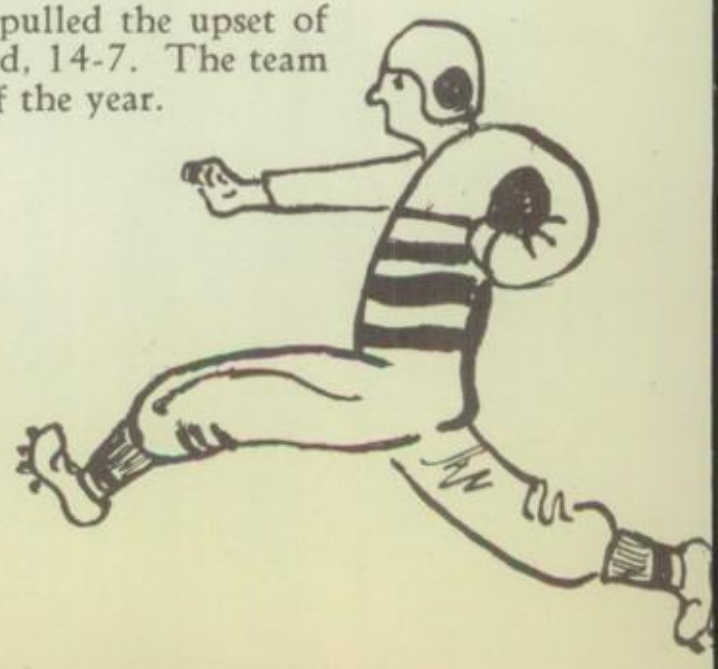
With Prett Cowley back in the lineup the Dragons broke into the win column with a 19-0 triumph over Westbrook.

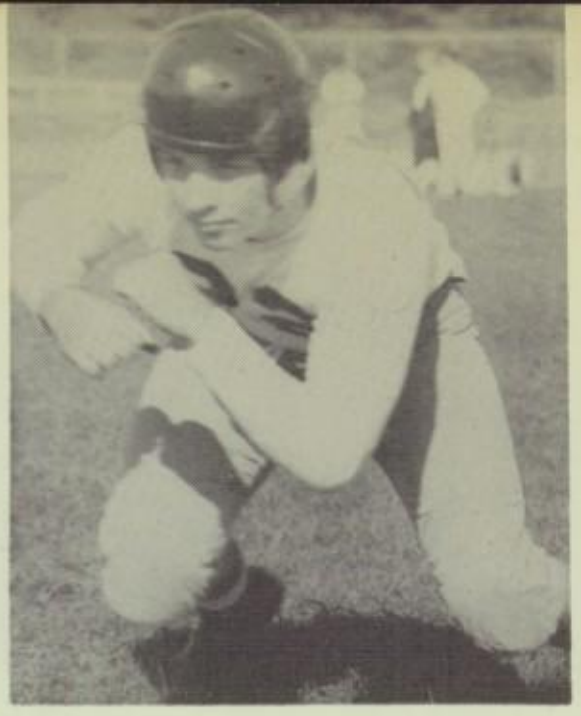
Then the unexpected happened. Brunswick held unbeaten Madison to a 0-0 deadlock. This was the first time Madison had been held scoreless for two years.

Rockland 14, Brunswick 7, meant another upset, this time the wrong way to suit the Brunswick fans. The speed merchants, Otis and Prett, were outstanding for a losing cause.

Bouncing back after the Rockland contest, Brunswick pulled the upset of the year by defeating an undefeated and untied Gardiner squad, 14-7. The team as a whole was outstanding as they played their finest game of the year.

For the first time in over eight years, the Dragons failed to trim Morse in the annual Armistice Day classic, held this year in a downpour at Whittier Field. It was a dark day for the Dragons, many of them Seniors playing their last game for Brunswick, as they struggled valiantly until the last moment but came out on the short end of a 14-6 score. They all gave their best however, and that is all that can be expected from any squad.





This year Brunswick was honored in having four members of its football team chosen as members of the *Portland Press Herald's* All Coast Team. The boys were chosen on the basis of ability and sportsmanship, and we know that the following certainly excelled in these. We at Brunswick were proud and honored at the selections of—

Ernest "Bud" Atkins, end—Bud was a mainstay all year long at Brunswick. He was also captain of the Brunswick team.

Roger Coffin, tackle—Roger is one of the finest linemen ever to play for Brunswick. He will certainly be missed in the future.

Victor Lemieux, tackle—Vic was an immovable object in the line all year.

Prescott Cowley, back—We thought that the "California Comet" was lost forever. But he returned, much to the delight of the entire school.

Although these boys were chosen on the All Coast team, there were many others who were equally outstanding and deserve the congratulations and gratitude of the entire school. Then there are those who played their final football game this year at Brunswick. They were: Ernest Atkins, Bruce Doughty, Victor Lemieux, Arnold Johnson, Prett Cowley, Paul St. Pierre, Norm Lacharite, Roger Coffin, Ronald Knight, and Alfred Coulombe.

While passing out the honors we must not forget two very important individuals, who were very instrumental in the success of this year's squad. They were Coach Stan Johnson and Coach Jack Tucker. Their guidance and unselfish interest are appreciated not only by the football squad, but by the entire student body as well.

Coach Tucker seemed to summarize the squad very thoroughly in the Award assembly as he stated. "They won when they should have lost, they lost when they should have won." Football nor any sport, however, should be measured in success by a glimpse at the won and lost columns. The success of a team should be measured by the amount of character and sportsmanship the sport is able to inject into its individual participants. Measuring success on this basis, we feel that we had a championship team and a very successful season this year at Brunswick.

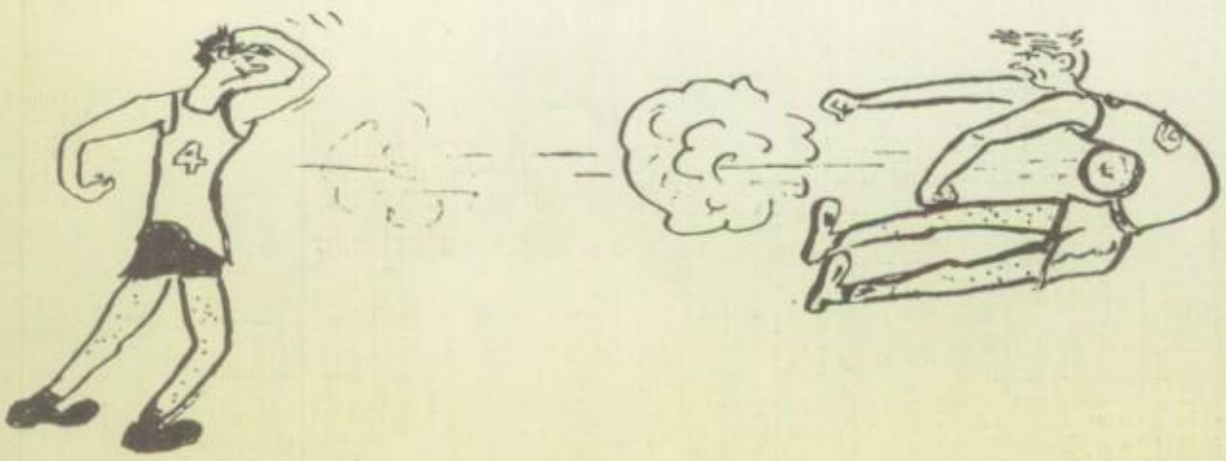
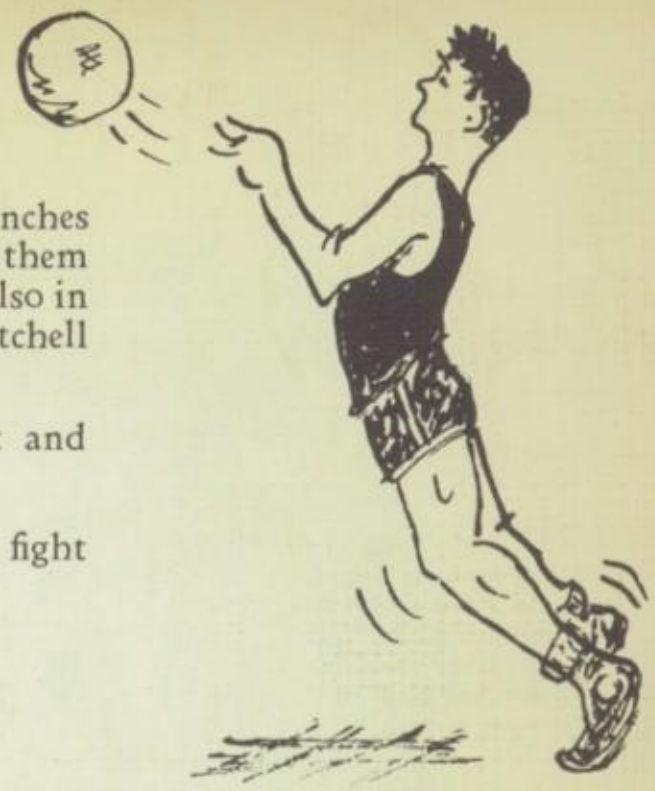
Basketball

A Dragon five which lacked experience took to the basketball court this season, and although meeting stiff opposition from all the teams it played, it showed great promise for next year. The J. V. team which compiled a record of 12 wins and only 3 losses gave high hopes to the coming years of basketball at B. H. S. The varsity team will lose only four lettermen this year in Captain Marty Mitchell, Ricky Davis, Gene Thibeault and Norm Lacharite, since the team was composed largely of Freshmen and Sophomores.

A swarm of Freshmen (who had shooting ability, co-ordination, and a promising future) went out for basketball, and it is expected that great things will come of our future teams here at Brunswick High School. Such hopefuls as Bob Snowman, George Thibeault, Dick Whittier, Don Brown, Pete Smith, and Skippy Galerneau, in the Freshman class; and Larry Davis, Paul Cowley, Paul Talbot, Andy Thompson, and others who have from one to two years to play will be a big factor in the teams to come as they all got in a lot of experience this year. Coach Torrance did a grand job of getting a starting five who could play together, although lacking experience to get a good representation of B. H. S.





Marty Mitchell and Andy Thompson, two boys who are 6 feet 4 inches and 6 feet 3 inches respectively were this year's standouts. Each one of them averaged 10-11 points a game and played superb ball for the Dragon five. Also in the standout class was Bob Snowman, a Freshman, who was next to Mitchell and Thompson in the scoring column.

On defense, Ricky Davis played well, along with Gene Thibeault and Norm Lacharite.

The team did lose a lot of close ones but showed aggressiveness and fight all through the season.

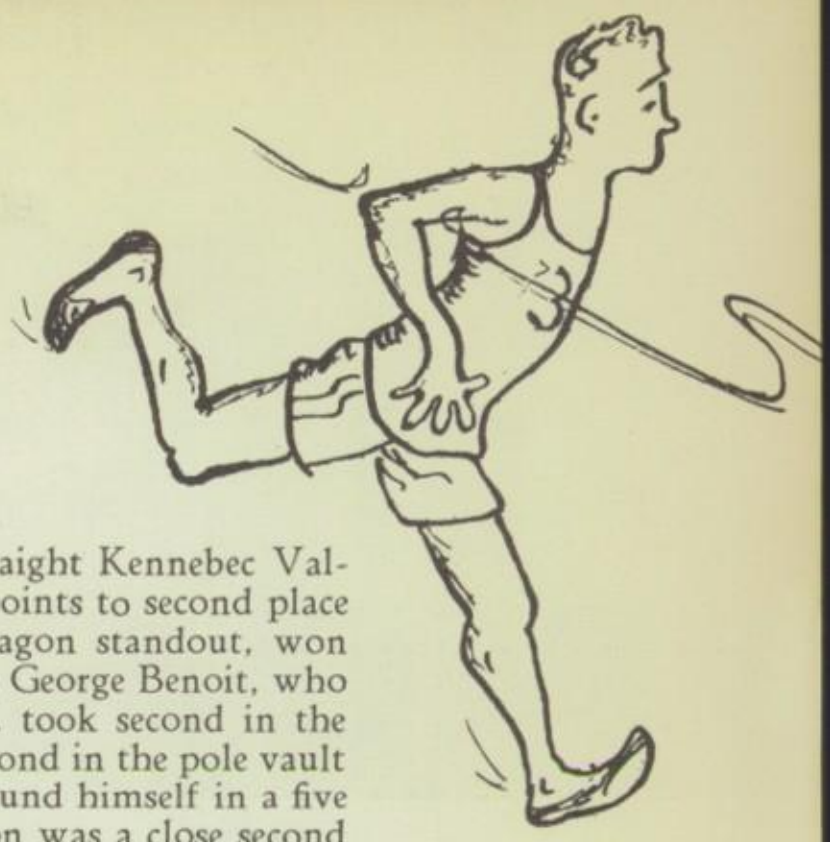
Track 1949

Last year's track team had a very successful season under the direction of Coach Stan Johnson, a member of the Olympic team of '41.

Brunswick defeated Morse by a score of 86⅓ points to 30⅔, displaying power in all events. Sophomore Andy Thompson paced the Dragons with a total of 26 points. Captain Clive Tillotson was next with 18 points. Ken Gordon ran one of the fastest quarter miles by a Maine schoolboy this year in 55.9 seconds.

A strong Brunswick track squad gave the University of Maine Freshmen a run for their money. The meet wasn't decided until the last event in which Otis Johnson tied for first place with four Maine trackmen. The final score was Maine Freshmen 59¾ to Brunswick's 57¼. Gil Ormsby won the shot put and second in the discus, while teammate George Benoit won the discus event. The broad jump was a clean sweep with Otis Johnson, Russell Devin and Clive Tillotson all jumping over 19 feet.

Brunswick took the Androscoggin Valley Track Meet when they scored 80 points to Lewiston's 42, Rumford's 16, Edward Little's 7 and Morse's 5. Seven records were broken and another one tied. Brunswick broke five out of the seven. Andy Thompson, a promising trackman, came from behind in his final throw to break the Valley javelin record and also a school record with a heave of 162 feet 1¾ inches. Devin broke his own record, which is now 10 feet 8 inches in the pole vault. Tillotson claimed another record in the low hurdles. Devin also won the broad jump and tied for first in the high jump with Thompson. Johnson took second in the broad jump and third in the high jump.



Brunswick High School won its second straight Kennebec Valley Meet at Waterville when it racked up 39½ points to second place Skowhegan's 33 2/5. Gil Ormsby, another Dragon standout, won the shot put and placed second in the discus while George Benoit, who was always in the scoring department with Gil, took second in the shot put and third in the discus. Devin came in second in the pole vault while Thompson came in third. Otis Johnson found himself in a five way tie for first place in the high jump. Tillotson was a close second in the hurdles. Thompson also won the javelin as usual.

Some of the consistent scorers of the 1949 track team were Captain Tillotson, Gil Ormsby, Ross Devin, and George Benoit, members of the class of 1949, while Otis Johnson and Andy Thompson, underclassmen, gave promise of being the stars of the 1950 season.

Baseball

Brunswick was defeated in the first game of the season 6-1 by a strong Edward Little team.

The Bowdoin J. V.'s tipped the Dragons in the next game 4-1 combining hits with errors.

The Brunswickites lost to Stephens High of Rumford in a 10 inning contest, 4-5. Stephens' rally in the 10th was the cause of the loss.

Despite the pitching of Ricky Davis, the Dragons dropped the only game with St. Doms, 13-10. Pret Cowley led Brunswick with three hits, with Jack Huff and Davis collecting two each.

Lewiston outlasted Brunswick in the rain by a score of 11-6.

The Dragons lost a hotly contested game with Morse High of Bath, 6-4. Brunswick showed her colors in the 8th, scoring runs on a walk, error, fielder's choice and singles by Tilly Antil, Bud Atkins, and Jack Huff.

The Maine Annex kept the Dragons in the cellar by defeating them 1-0.

Jumping into the winning streak the College Towners whipped the Edward Little team 8-2. The game was sweet revenge for the former defeat suffered at the hands of the Auburn Club. Davis gave up only two hits in a well pitched game.

Another win for the Dragons was chalked up in the second game with Stephens High, to the tune of 8-3.

The Brunswick team traveled for the next one and brought back glory for the Orange and Black. They topped Stoughton, Massachusetts, with a score of 3-2 in a 10 inning game which saw Al Johnson back on the mound for the home team.

In the last game of the season the Dragons were defeated again by Morse, 5-3. The local club led all the way but the Shipbuilders rallied near the end to wrap up the game. Jack Sylvester paced this one with three singles.

Baseball letter winners for 1949 were: Jack Huff, Captain; Ernest Atkins, Arthur Antil, Peter St. Pierre, Maurice Merrill, Prescott Cowley, Captain-elect; Edmund Parady, Jack Sylvester, Martin Mitchell, Alden Leeman, Malcolm Munsey, Manager.

CROSS COUNTRY

First Row: Ken Gordon, Tom Kendrick, Bradford Chapman, Jack Sylvester.
Second Row: Mr. Lunt, Richard Moore, Paul Coulombe, Albert Bourgoin, Robert Goldsberry.
Third Row: James Walker, Louis Siatras, Sterling Pomeroy.

Cross Country

While last year's edition of the Brunswick High cross country team had a disappointing season, winning one meet and losing five, prospects for next fall's varsity are good with the return of many runners who picked up valuable experience this past season.

Coached by Mr. Lunt, the Brunswick harriers defeated Lisbon Falls, 27 to 29, in their first meet. Captain Jack Sylvester placed first for B. H. S., running the two and one-half mile course in 13:45.5.

In their second meet, against Portland, Brunswick lost by the score of 45 to 16. Chapman placed fifth for the Dragons.

In the third meet against a powerful Hebron team, Brunswick was defeated by a perfect score of 50 to 15.

Traveling to Gardiner, the team was next defeated 42 to 17. Sylvester placed fourth for B. H. S., while Nixon of Gardiner ran over the short course in 12:28.7.

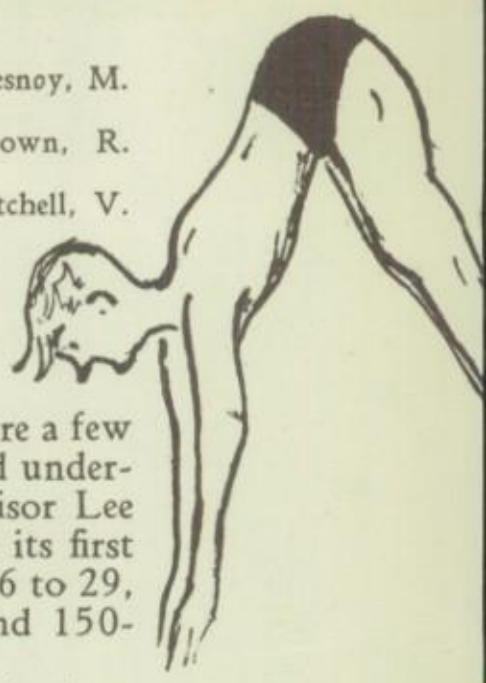
In a meet with the Bates College Frosh, Brunswick lost by the close score of 34-24. Dragonmen Chapman and Kendrick placed second and third, respectively, behind Kasius of Bates.

In their last meet, the B. H. S. crew was dropped by Deering, 47-16, Chapman placing fifth for Brunswick.

Letter winners this year were Captain Jack Sylvester, Bradford Chapman, Tommy Kendrick, and Manager Kenwood Gordon. With Kendrick, Chapman, and a host of JV runners returning, B. H. S. looks forward to a successful season to come.

SWIMMING TEAM

First Row: P. Helmreich, L. Poulin, W. Wilson, A. Racine, P. St. Pierre, R. Duquesnoy, M. Crowley, T. Lacourse.
Second Row: Coach Erswell, P. Favreau, D. Gaudreau, M. Lacharite, P. Brown, R. Fortin, M. Labbe, N. Nelson, T. Gaudreau, R. Hinckley, A. Small.
Third Row: Coach Alexander, C. Bowdoin, L. Jones, E. Soucie, R. Coffin, M. Mitchell, V. Lemieux, O. Livernois, R. Atwood, P. Coulombe, J. Walker.



Swimming

About 25 boys answered the call for swimming this year. There were a few veterans who came out, but for the most part the boys were inexperienced underclassmen. From these 25 boys Coach George Erswell and faculty advisor Lee Alexander organized a good squad for the varsity, which entered upon its first test against the Bowdoin J. V.'s. Bowdoin won the meet by a score of 46 to 29, but not without a struggle in which Brunswick's Jones, Helmreich, and 150-yard medium relay team came through with firsts.

The boys gained valuable experience from this first meet and came back to gain their first victory for the year at the expense of the Portland Boys' Club. Pete St. Pierre, Helmreich, Jones, and the 220-yard relay team of Atwood, Livernois, Paul and Pete St. Pierre, all contributed firsts to the Brunswick cause.

Brunswick then was edged by Hebron Academy by a 41-34 score. Jones and Helmreich were again good for firsts with Paul St. Pierre and Labbe good for seconds.

Deering became the second victim of the team as Brunswick sank them 44-31. Jones and Helmreich were again first place winners as also were Lacourse, Atwood, and Lacharite.

Brunswick kept on its winning way by defeating Edward Little High with the 200-yard relay team of Atwood, Livernois, Pete and Paul St. Pierre coming through in the final event to bring the team from behind. Jones and Atwood were also good for firsts. The score was Brunswick 40; Edward Little 35.

The Bowdoin J. V.'s again proved too strong for Brunswick, turning them back 45-30. Pete St. Pierre came through with a 50-yard free style first with back-stroker Jones also in number one spot.

Brunswick came back to again defeat Edward Little by a 47-28 score. Individual victors for Brunswick were Coulombe, Atwood, and Jones with Pete and Paul St. Pierre aiding in both relays.

Brunswick's wins were quickly ended by Portland's powerful swim team. Portland sank B. H. S. 51-24. The only first for Brunswick came in the 200-yard relay of Atwood, Livernois, and Pete and Paul St. Pierre. Jones and Pete St. Pierre pulled out seconds, while Nelson was edged out of the diving first 48.00 to 47.94.

In the state meet everything seemed to go wrong. Portland swam away with the meet with 98 points. Brunswick with 25 points was edged by Edward Little with 27 points. Deering trailed with 18 points.

Les Jones, Pete and Paul St. Pierre, Nelson, Atwood, Livernois, and Helmreich were consistent point winners all season with Donny Gaudreau heading the 150-yard medium relay. A special note of thanks should go to Tony Ouellette who was of great help to the divers. Certainly no little amount of hard work was contributed by Coach George Erswell. He has the thanks of the entire school as well as the swimming team for service rendered.

GIRLS' ATHLETIC ASSOCIATION
First Row: Mary Small, Jeannine Caron, Eileen Brown.
Second Row: Eunice Howland, Barbara Talbot, Joan Foster.

Girls' Athletic Association

The Girls' Athletic Association, under the direction of Maybelle Beach, consists of six girls who have earned 75 points through the participation of various sports. These points are earned by taking part in basketball, volleyball, and softball, which net 10 points each, and archery and bowling, which net 5 points each. All these are offered by the school. Extra points may be earned through hiking, biking, skating, skiing, ping-pong, and numerous others.

The awards earned are as follows: 50 points—numerals, 100 points—chenile "B," 150 points—Maine State letter, and 200 points—the Maine State Pin for Athletics.

The athletic year begins with archery, which is followed by softball as long as the weather is permissible. The indoor sports, basketball, volleyball, and bowling, follow in rapid succession. Softball follows again in the spring. Although not many girls reported for sports this year, those who did had a fine time.

Girls' Basketball

Basketball, the most popular girls' sport in Brunswick High School, began after the Christmas vacation and lasted until February.

There were a large number of girls, mostly Freshmen. There were only two teams this year, the Freshmen and the Senior teams, with a few Juniors and Sophomores scattered among them.

The Freshmen showed a remarkable ability for basketball, but were outclassed by the experienced Seniors, who won the tournament. This is the second year that the Seniors have won the championship.
